

TEACHING and LEARNING STRATEGY 2018-2025

Our Vision

To be an inspiring, innovative University of international renown

Inspiring Aims

Enable all students to become inspiring and enterprising global professionals and achieve career and personal success

Inspire all students to fulfil their potential and achieve the highest academic and professional standards

Create an inclusive globally aware community providing a world-leading and inspiring student experience

Inspiring Key Performance Indicators

TESOF core and supplementary metrics to be at least two points above benchmark

Differential achievement:
No statistical difference for Retention, Highly Skilled Employment and Classifications once benchmarked

University of Huddersfield student engagement score to improve by 20%

Enablers

- Equality of opportunities and outcomes
- Engagement and participation
- Excellence in teaching quality
- Embedded student voice
- Employability and enterprise
- Enhanced services and support
- Enabling and inclusive learning environment

Our Values

We will work as a team to provide excellent service to the communities we support

Student Voice

Formal and informal structures give all students a voice

Our students guide improvements in all aspects of what we do

Excellence

TEF Gold

Leading institution for National Teaching Fellowships

Inaugural winner of the AdvanceHE Global Teaching Excellence Award

Learning Culture

We are an inclusive community where students are at the heart of what we do

We take pride in guiding our students on their journey to become global professionals

We encourage excellence and innovation in teaching and learning where scholarship and practice is informed by research

Working in partnership with our students helps us create a vibrant and welcoming environment

Academic Staff

One of the top UK universities for permanent staff at doctoral level

All teaching staff are expected to be qualified as teachers and hold FHEA status within 12 months of employment

Academic Support

Access to sophisticated academic and technical support in a welcoming and friendly environment helps everyone achieve their best

Evidence Based

Data helps inform all policy and signpost new initiatives, for example, our work on differential attainment

Facilities

Inclusive physical and virtual spaces where students can meet, learn and socialise

Modern facilities with professional standard equipment

Excellent digital infrastructure

Our ethos

Our students are our University. Embracing their cultures, creating student-centred structures and co-creating projects enables all of us to develop together and become an inspirational centre of excellence.
